

OTHER WASTE

Free Furniture and Appliance Collection

Contact your superintendent or property manager for details on what items are accepted, and where these items should be left for collection.

Household Batteries

Do not put batteries in the garbage, recycling or the organics.

Batteries store a lot of energy and can be a fire hazard if not disposed of properly.

Batteries can be taken to a York Region waste depot or other battery collection site.

Find a drop off location near you by visiting: recycleyourbatteries.ca

Reusable Items and Clothes/Textiles

Consider donating items that are in good condition. Drop off old clothes, shoes, and textiles at participating York Region waste depots or textile collection bins.

For more information, please visit RichmondHill.ca/Textiles

Still not sure where something goes?

Use the What Goes Where search tool online at: RichmondHill.ca/WhatGoesWhere

Take These Items to a York Region Waste Depot

Household Hazardous Waste

Anything in your home that is explosive, flammable, corrosive or poisonous.

Examples include: aerosol cans (full or partially full), cleaning products, propane and helium tanks/cylinders, paints, needles, batteries and vapes.

Construction and Renovation Waste

Drywall, lumber, concrete, wooden skids, windows, kitchen cabinets, counters, sinks, tiles, roof shingles, siding, etc. are not collected from your building.

Electronic Waste

Any electronic equipment in your home that no longer works and cannot be repaired. These items must not be thrown in the garbage because they contain hazardous materials and often have recyclable parts.

Tires

Car and truck tires, with or without rims, can be recycled at select York Region waste depots. Alternatively, you can find a drop off location near you by visiting: rpra.ca/where-to-recycle

Contact your superintendent or property manager for disposal options **OR** bring these items to a York Region waste depot to be disposed of safely. Fees apply for select materials.

For current fees, hours, and accepted materials please visit york.ca/wastedepots or call 1-877-464-9675.

WASTE DEPOT LOCATIONS

Elgin Mills Community Environmental Centre
1124 Elgin Mills Road East, Richmond Hill

Markham Household Hazardous Waste Depot
430 Rodick Road, Markham

Waste depots are for York Region residents only. Proof of residency required. Fees and hours subject to change without notice. All depots closed civic and statutory holidays.

Helpful Tips to Reduce Waste and Support a Circular Economy

Participate in the organics program! Talk to your superintendent or property manager if your building does not have one.

Say no to single-use items and bring your own reusable water bottle, mug, cutlery, and shopping bags instead.

Swap, borrow, share or rent! Borrow items from the Library of Things, instead of buying new. Learn more at RHPL.ca

Skip the packaging! Shop in bulk with reusable containers and avoid purchasing items with excessive packaging.

Repurpose! Find new uses for items you might otherwise throw away. Find refilleries and bulk stores near you at ShareReuseRepairHub.ca

Extend the life of your clothing, electronics and other household items by repairing them. Bring your broken items to a Repair Café event. Visit york.ca/RepairCafe for more information.

Waste Management Guide

ORGANICS

RECYCLING

GARBAGE

OTHER WASTE

Use this guide to help you determine how to sort your waste.

NEW!

You can recycle more materials!

See inside for details.

ORGANICS

- Line your kitchen catcher with a compostable or plastic bag. Bag all material and tie securely.
- If your building does not have an organics diversion program, these items must go in the garbage.

Pasta and grains

Meat, fish and bones

Fruits and vegetables

Baked goods and desserts

Nuts and shells

Coffee, filters and tea bags

Eggs and shells

Muffin wrappers

Dairy

Butter, lard and grease (solid)

Houseplants

Tissue and paper towel

Pet waste, bedding and cat litter

Diapers and feminine hygiene products

GARBAGE

Light bulbs (not CFL)

Compostable/ biodegradable plastics

Wooden cutlery, stir sticks and chopsticks

Cotton swabs, pads and balls

Rope, cable and hoses

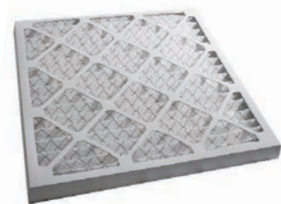

Broken toys

Dishes and drinking glasses

Non-recyclable plastic items

Furnace filters

Wipes, mops, dryer sheets and lint

Writing instruments

Gloves and masks

RECYCLING

- Empty and rinse all containers.
- Large pieces of cardboard should not be placed in chutes.

Paper

Boxboard

Cardboard boxes

Cartons

Chip cans

Plastic containers (empty)

Plastic cups

Plastic tubs, lids, jugs, bottles and jars

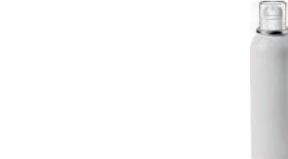

Glass containers

Metal cans and tins

Aluminum foil and trays (clean)

Empty aerosol cans (lids on)

Recycling Program Changes

The Province of Ontario has transitioned the recycling program to a new model that makes producers of recyclable materials responsible for their collection and processing instead of municipalities.

As a result, you can recycle more materials!

NEW ACCEPTABLE ITEMS

Visit CircularMaterials.ca/RichmondHill for the expanded list.
